

# The Water's Wide

Sea Wolf

Oooh I don't wanna leave here now  
Now that I found my legs somehow  
But it feels like the water's wide  
So I don't wanna leave here now

Oooh I don't wanna leave here now  
Now that I found my legs somehow  
But I feel like the water's wide  
And that I'm washing out with the tide

This morning it was calm and clear  
And the rain pushed the smog right outta here  
And in the mountains there was snow on the ground  
And you could see it all the way from downtown

And it's nothing that we haven't seen before  
But this morning it felt like a little more  
Like the future is still wide open  
And I can choose where I'm going

Oooh I don't want to leave here now  
Now that I found my legs somehow  
And I feel like the water's wide  
So I don't wanna leave here now

Oooh I don't want to leave here now  
Now that I found my legs somehow  
And I feel like the water's wide  
And that I'm washing out with the tide

So I thought that it was alright  
And that I would be leaving tonight  
I had everything in my hands  
But the one thing that I couldn't plan

'Cuz it feels like something went missing  
That I didn't even know I'd been lifting  
No, I didn't think that I would stay for long  
But the storm has come and gone

Oooh well I don't wanna leave here now  
Now that I found my legs somehow  
And I feel like the water's wide  
I don't wanna leave here now

Oh I don't wanna leave here now  
Now that I found my legs somehow  
But I feel like the water's wide  
And that I'm washing out with the tide

Oooh I don't wanna leave here now  
Now that I found my legs somehow  
And it feels like the water's wide  
So I don't wanna leave here now

Oooh I don't wanna leave here now  
Now that I've found my legs somehow

But I feel like the water's wide  
And that I'm washing out with the tide

Oooh I don't wanna leave here now  
Oooh I don't wanna leave here now  
Oooh I don't wanna leave here now  
Oooh I don't wanna leave here now
