My emotions Drift away I think about it, but it's alright, it's alright, it's alright It's alright now... My emotions Drift away I think about it Every single day Do I regret it? What I'd say That it's alright, it's alright, it's alright Out in space There's a feeling that runs through your veins One that has no time, no space Taking you higher So that you can't deny it That's when you're in love Taking you higher So that you can't deny it That's when you're in love Taking you higher So that you can't deny it That's when you're in love That's when you're in love Taking you higher So that you can't deny it That's when you're in love Taking you higher So that you can't deny it That's when you're in love

Taking you higher

So that you can't deny it That's when you're in love

That's when you're in love
