

Future Love Paradise

Seal

But if only you could see them
You would know from their faces
There were kings and queens
Followed by princes and princesses
There were future power people
From the loved to the loveless
Shining a light 'cause they wanted it seen
Well there were cries of why
Followed by cries of why not
Can I
Reach out for you if that feels good to me
And the riders will not stop us
'Cause the only love they'll find is paradise
No the riders will not stop us
'Cause the only love they'll find is paradise
Paradise yeah
Don't you know that racism in among future kings
Can only lead to no good
to no good
Besides your sons and daughters
already know how that feels
One day (One day)
All the queens will gather round
Spreading love and unity so it can be found
Well then all the riders say it's all to do with drugs
Well inject me
With your love
Inject me with your love alright
And the riders will not stop us
'Cause the only drug they'll find is paradise
Future love paradise
No the riders will not stop us
'Cause the only love they'll find is paradise
Future love paradise
No the riders will not stop us
paradise
The only love they'll find is paradise
Paradise yea
Love paradise
One in and out is gonna make you feel good
paradise
Coming at you like a hurricane would
paradise
Stay close to me I'll always be by your side
Save paradise
Save it baby you know that it's all right
You remind me of a girl I knew paradise
So beautiful once inside you
paradise
You make me feel like I need your love love love
Want to fill me with your love
Fix me with your love all right
And the riders will not stop us
'Cause the only love they'll find is paradise
is paradise
Future love paradise
No the riders will not stop us

'Cause the only drug they'll find is paradise
Oh we'll belivin' in a paradise
The riders will not stop us
'cause the only love they'll find is paradise
Future love paradise
They will never make you feel surely
Like you've felt never felt before I'll
Give myself
To you
And if you change your mind
I'll do anything
Just to make the world peaceful
Just to make life wonderful
I will drown all your sorrows
In a future love paradise
Future love paradise
Future love paradise
They will never make you feel surely
Like you've never felt before
I'll
give myself
