Here I Am (Come And Take Me)

I can't believe that it's real The way that you make me feel A burning deep down inside A love that I cannot hide

Our love is you and me baby That makes the world go 'round And if you've been doin' lovin' with me Layin' all my troubles down

Here I am, baby Come and take me Here I am, baby Come and take me Take me by the hand Show me Here I am, baby

It always ends up this way Me begging you every day A love that I cannot have You broke my heart into half

Our love is you and me baby That makes the world go 'round And if you've been doin' lovin' with me Layin' all my troubles down

Here I am, baby Come and take me Here I am, baby Come and take me Take me by the hand Squeeze me Here I am, baby

When I'm down I can always call you For a helpin' hand I know you'll do the best you can

But it don't take much from me Just my cup of Joe Oh there's love inside me I believe there's going to be an explosion

It's tough for me, oh baby I can do worry Tell me all your troubles You won't ever have to worry now

Just one more thing, ask everybody Everybody you see, no, no You'll find yourself lost And alone on a darkened street

Here I am, baby

Come and take me Here I am, baby Come and take me Take me by the hand Show me Here I am, take me Here I am, show me, won't you Here I am, baby Come and take me Won't you teach me, baby? Won't you take me by the hand? Teach me Here I am, baby
