

Lost My Faith

Seal

We both know
That the harder we try
Can't understand it
We're so caught up in the reasons why

Station to station
And we couldn't even say their names

I realise it
It's just a game

I had lost my faith
Long ago

I had lost my faith
Long ago

I can't see
That if I say close to your side

All of my pressures now
I know they will subside

If ever you need me yeah
All you gotta
All you gotta do is fall

I hear you sayin'
That you got it all

I..... had lost my faith
I.....had lost my faith
Long ago

I had lost my faith long ago
I.....had lost my faith
Long ago

A stranger sold her sins
I lie here for you touch
But what I'd like to know
Is why do I want you so much
They say that's all the same

All though my life
All though my life
All though my life
I have
Waited for you ...aay
waited for you
And
Have you waited too
are you really for the feeling

Ohhhh.... I

Nana naa naa naa naa ohh

I had lost my faith
Long ago

I had lost my faith long ago
I.....had lost my faith

Long ago

Nana naa naa naa naa ohh

I had lost my faith
Nana naa naa naa naa ohh
Long ago

I lost my faith
Nana naa naa naa naa ohh

I lost my faith
I lost my faith

Ohh lord
Nana naa naa naa naa ohh
