

# Love Won't Let Me Wait

Seal

The time is right  
You hold me tight  
Love's got me high

Please tell me, yes  
And don't say no  
Honey not tonight  
I need to have you next to me  
In more ways than one  
And I refuse to leave

'Till I see the morning sun  
Creep through your window pane  
'Cause love won't let me wait

The time is right  
Turned down the lights and take my hand  
We will take a flight  
And spend the night in a wonderland

Now move a little close to me  
You owe it to yourself  
And I will selfishly  
Take a little for myself

And it's because of you  
That love won't let me wait  
(No, listen girl)  
I need your love so desperately

And only you can set me free  
When I make love to you  
We will explode, you and I, we'll explode in ecstasy  
And I won't take the blame  
That love won't let me wait  
Love won't let me wait  
Love won't let me wait  
Love won't let me wait  
Not a minute longer girl  
Love won't let me wait
