

## My Vision

## Seal

I feel like the sun,  
I feel like the rain  
I feel like I just found reason for living again  
'Cause what I've been dreaming,  
I know that it's real  
I know there's just no changing the way I feel  
You're into my head  
I'm out of my mind  
I feel like I've just found reason for being alive  
And I have a secret  
I think you should know  
I feel like I just can't keep it  
It's deep within me  
And I feel like I'm losing control

Can you see my vision  
Of a red hot summer in wine?  
When love was the feeling  
With no indecision  
We were turning that key inside  
To get in the moment

We live in a dream,  
I see you today  
I feel like all my fears are fading away  
Been waiting so long for something new  
I feel like a constant craving for being with you  
And I have a secret I think you should know  
I feel like I just can't keep it  
It's deep within me  
And I know that I'm losing control...

Can you see my vision  
Of a red hot summer in wine?  
When love was the feeling  
With no indecision  
We were turning that key inside  
To get in the moment

Can you see my vision  
Of a red hot summer in wine?  
When love was the feeling,  
When love was the feeling  
When love was the feeling,  
When love was the feeling

[illegible]

And I feel like I'm losing control

Can you see my vision  
Of a red hot summer in wine?  
When love was the feeling  
With no indecision  
We were turning that key inside  
To get in the moment

Can you see my vision  
Of a red hot summer in wine?  
When love was the feeling,  
When love was the feeling  
When love was the feeling,  
When love was the feeling.
