

Wedding Day

Seal

On this day we recall the memories,
Of what we're goin' through,

This day, we're gonna win it,
Givin' you all above,

Followin' our love,

In my heart a place,
A most special place,
And it's all for you,
You're my girl, you're my, angel,

The will's the same for us,
Honey they can't be wrong,
Cause everybody knows it was
hard to break the sorrow,
Then you came along,
