You Get Me

You get me If I say no, if I resist If I don't give in to this Would it be a lesson or a loss? Suddenly I know what it's about Thoughts come in, and words come out Suddenly I'm not killing time It's all over now You get me You get me Like a beautiful song You heard a million times Like the rainbows end You can never find You get me You get me If I say yes, if I let go And face the consequence I'll know Will it lead to living with regret? Suddenly the walls are coming down I wont be the same when I come around Suddenly I am understood It's all over now You get me You get me Like a crimson sunset Where the sky meets sea Like no one alive But lives in my dreams You get me You get me You get me You get me Like a beautiful song You heard a million times Like the rainbows end You can never find It's hard to ignore And undeniable, too This feeling inside When I look at you You get me You get me
