

Follow Me

Seals & Crofts

Love me, love me. While the sun still lights the sky.
Follow me there, we'll live forever.
Follow me, you'll never die, die, die.

Hurry, hurry. While your heart's still on the wind.
We'll find a home beyond the meadow.
Follow me, you'll never die, die, die.

Love me, love me. While the music fills the air.
Leave all the world to go on turning.
Follow me, you'll never die, die, die.
