Standin' On A Mountain Top

Seals & Crofts

Standin' on a mountain top, cryin' to the world.
Won't somebody lend a helpin' hand?
Help get back that girl, back that girl. Help me get back
that girl.

Went to see Aunt Mary now, said she was to be my bride.
Went to see Aunt Mary now, said she was to be my bride.
I'm so alone and lonely, now that she's not by my side.

Standin' on a mountain top, cryin' to the world.
Won't somebody lend a helpin' hand?
Help get back that girl, back that girl. Help me win back
that girl.
