A Monster In Paris

Sean Lennon

I.. I hide my light inside a cloak of night
Beneath the red scarf and a chapeaux

The pearl of my heart locked within a shell
Too afraid to let it go, to let it show
And all the headlines read
For the whole world to see

A Monster in Parié

I fall apart, I fall apart, apparently
I did appear beneath the light
Yes it was me

A Monster in Parié

I hide my pain inside a melody
it's as if notes I sing set me free

I keep all my dreams under a lock and key
I'm so afraid that they will fly, away from me

A Monster in Parié

A Monster in Parié
