

# Hush

Sean Price

Now hush little baby, don't say a word  
Ruck is gon' hit you with the nah mean you heard  
If the nah mean don't do what it do  
I beat the shit to drown and come back for part two

Now hush little baby, don't say a word  
Ruck is gon' hit you with the nah mean you heard  
If the nah mean don't do what it do  
I beat the shit to drown and come back for part two

Yo, Leaders of the New School, leaders of the old school  
Know Sean P put it down like he's supposed to  
I be watching these niggas watchin the throne  
Watch me take they wrist watch, now watch me go home  
P, I've been workin with the gauge  
Animalistic rapper, man of a certain age  
The slugs from the eighth spin through ya  
I ain't trying to talk dog, I ain't Ace Ventura  
The Grape Ape, plate scrape, scrape shit, weight in a baggie  
You hating, waiting with Jake in the alley  
Uhh, crime buster, swine, 9 touch ya  
Mother made you, mother had you but motherfuck you

Now hush little baby, don't say a word  
Ruck is gon' hit you with the nah mean you heard  
If the nah mean don't do what it do  
I beat the shit to drown and come back for part two

Now hush little baby, don't say a word  
Ruck is gon' hit you with the nah mean you heard  
If the nah mean don't do what it do  
I beat the shit to drown and come back for part two

Yo, you take a cab with a quarter ounce  
That's old school, paper bag on the 40 ounce  
I'm so cool, take the Jag to your daughter house  
Tech nine text message to Sean, call your daughter house  
Let me tell you what it's all about  
Pop shit, get rich, bitch with a toilet mouth  
"These rap niggas wack Ruck, call 'em out"  
"Everybody wack except me", the fuck is you talkin 'bout?  
Damn near 40 record deal in the weed spot  
My rap fuck yung'uns up lyrically I am B. Hop  
Heheh, I need not to say more  
Got a wife so I need not to pay whores  
What I recite tight, you need not to say yours  
Gun fight, gesundheit, you need ahk to pray more  
P! I'm just an old man givin ya  
Slaps with my hand that'll crack your mandibula

Now hush little baby, don't say a word  
Ruck is gon' hit you with the 9 mean you heard  
If the 9 mean don't do what it do  
I beat the shit to drown and come back for part two

Now hush little baby, don't say a word  
Ruck is gon' hit you with the 9 mean you heard

If the 9 mean don't do what it do  
I beat the shit to drown and come back for part two

This man murdered the record  
Niggas don't want beef like hamburgers in Checkers  
P! Lights out, knife out might slash you  
Obama turned the White House into White Castle
