

Forget You

Sebastian Bach

Why is love pain?
Tell me why
Must love leave me again?

I'm trying hard to forget you but I don't know if I can
I'm not afraid to forget you cause you'll never let me in

Lie straight to my face
Outta time
In the bed you made

I'm tryin' not to forget you but I don't know if I can

You choke the very heart from me
Sweet suicidal dream
And now I'm living inside myself
Where you can't get to me
