

The Ocean

Sebastien

Breathing of the ocean
Respiration flows... (grows...)
Feeling my devotion
Sweet sunrise and the day is warm
I stand alone like a hunter
Sand along my bones
Now the waves are nearer
Asylum for everyone

I'm alone in memories
Full of life and waking fears
I'll be there until the end
Pass me by and by
I'll be there when cosmic rate
Ever will accelerate away
Everyday

Love is where the heart is
I've been told tonight
And you were the heartless shadow
Black'n'white
Fairytale are over
Ocean sings ashore
Dream upon a dream
I can stand no more

Breathing of the ocean
Restless waves below
I know there's a motion
Everywhere, in everyone

I'm alone in memories
Fingerprints of distant fears
When the fields of growing rye
Waving in the moonlight
And I wonder if the see
Sparkling in my Hennessy
Take night and day away

Love is where the heart is
I've been told tonight
And you were the heartless shadow
Black'n'white
Fairytale are over
Ocean sings ashore
Dream upon a dream
I can stand no more

I'll be there when cosmic rate
Ever will accelerate away
Everyday

Love is where the heart is
I've been told tonight
And you were the heartless shadow
Black'n'white
Fairytale are over

Ocean sings ashore
Dream upon a dream
I can stand no more
