

# I Could Be You

Secret Affair

Everyone's a hero now,  
No matter who no matter how,  
A thousand voices shout as one  
Look at me I'm number one.

I could be you  
If I wanted to  
I could be you

If I wanted to  
A thousand voices call my name,  
All shout at once it sounds the same.  
Look at me in my uniform Inside the  
crowd where it's safe and warm  
If you saw the eyes behind their cries you'd know,  
Why the people in a crowd feel so alone.

I could be you If wanted to.  
I could be you,  
If I wanted to
