

# Remember

Seinabo Sey

So you say, all you wanna be is remembered  
I'll make you go down in history  
So you say, all you wanna be is remembered  
Let me make you go down in history, baby

Let write you into history, darling  
Let me sing you into eternity  
So you say you just wanna be remembered  
You just wanna be is remembered  
Just wanna be remembered  
So sing me words that no one's heard  
Split me an ocean (ooh)  
Make my mountain move  
Maybe I'll remember you  
Oh, baby, I'll remember you  
Show me a God that I can believe in  
Show me some stars  
Beneath this, beneath this ceiling  
And I'll remember you  
Baby, I'll remember you  
And if I'm not the one  
Holding the smoking gun  
When the trumpets call  
You can send me to the lord  
Whatever we become  
I was there before it all  
When the morning comes  
You can sing me to the sun

Walk on water  
Take me to a space  
So be blessed  
Where I could ease my mind  
I will remember you  
I will remember you  
I will remember you  
I'll remember you  
And if I'm not the one  
Holding the smoking gun  
When the trumpets call  
You could sing me to the sun  
Whatever we become  
I was there before it all  
When the morning comes  
You could sing me to the sun  
You could sing me to the sun

Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun

Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun  
Remember me, remember me  
Remember me under the sun
