

Whiplash

Selena Gomez & the Scene

C#m

1. Oh baby, moonlights hits the spotlight
F#m **C#m**
I'm on my flight to take you away
I'm feeling so free, you're makin me crazy
F#m **C#m**
That's what you do, that's what you do
Let's go now!
Lickety split, a girl and a bear
She crawls in a pit
F#m
Say hello darling
Twisted insanity, fallen humanity
C#m
All I want is some tranquility
Do you hear me? Do you hear me?
F#m
Well come on, boy

C#m

R: Come on

Ab

And take me to the other side
I'm goin' away

B

When I look into your eyes
I'm so in love
I think I'm gonna crash

F#m

And get whiplash whiplash whiplash

C#m

It's up to you

Ab

And I don't wanna give you clues
We're movin fast

B

I think we got enough to lose
So don't look back or else we're gonna crash

F#m

And get whiplash whiplash whiplash

2. Like a first kiss with a sweet list
Of some love songs, oh yeah, and with this melody
Falling over me, it makes me weak
So dang weak, so let's go now
Lickety split...

R: And take me to the other side...

*: La la la la la la la
La la la la la la la
La la la ohh yea
La la la la la la la
La la la la la la la
So let's go now
Well come on
(hrajte stejně jako sloky)
R: And take me to the other side...
