

# Let Me Get Me

Selena Gomez

'Like a Prayer' surrounding us, moving effortlessly  
Every word is relief  
I'm on dance-floor therapy, all my babies and me  
But tonight it's for free

No self-sabotage, no letting my thoughts run  
Me and the spiral are done  
Burn this camouflage I've been wearing for months  
Tryna let a little happy in for once

I need to let my mind rest  
While my body reflects

Ah ooh, don't get me down, I won't let me get me  
Ah ooh, don't get me down, I won't let me get me  
Ah ooh, I'm good right now, I won't let me get me  
Take that tired heart and go and turn it inside  
Out

Diving in ferociously, dancing intimately  
I'm so connected to me  
In the dark I'm letting go so anonymously  
I guess this is what it feels like to be free

I need to let my mind rest  
While my body reflects

Ah ooh, don't get me down, I won't let me get me  
Ah ooh, don't get me down, I won't let me get me  
Ah ooh, I'm good right now, I won't let me get me  
Take that tired heart and go and turn it inside

Out, don't get me down, I won't let me get me  
Ah ooh, don't get me down, I won't let me get me  
Ah ooh, I'm good right now, I won't let me get me  
Take that tired heart and go and turn it inside

Oh my! I guess this is what it feels like to be free  
Oh my! I guess this is what it feels like to see me

(Down)  
(Get down)  
Don't get me  
(Down)  
Oh oh  
(Get down)  
Don't get me  
Ah ooh  
(Get down)  
Take that tired heart and go and turn it inside

Out, don't get me down, I won't let me get me  
Ah ooh, don't get me down, I won't let me get me  
Ah ooh, I'm good right now, I won't let me get me  
Take that tired heart and go and turn it inside out
