

# Chameleon

Self

You can't, you can't tell me  
maybe i'll become a chameleon

You cats  
you cats gotta order me  
order me the all-  
american slam and then you got to find me when it's ready  
i can't sit in wal-mart  
and boil

You can't, you can't tell me  
maybe i'll become a chameleon
