

## Insecure Sober

Self

Why can't you look me in the eye?  
Yeah you're not so secure, secure  
You're a flower, you're a peach, you're so sensitive, sweet  
You act all so pure, so pure  
I seen you around, seen you throwing it down, you're no damsel  
in distress  
Your favorite song, you sing along  
With the words but it's all in jest  
Now who are you?

Crawl out, you can  
You're so insecure sober  
Inhibition  
You're so insecure sober

I've seen you come out of your shell  
Yeah, you're a fire starter  
No sense of peace, no sign of relief  
Maybe cause of your mother, father  
You can see proof of life with the pictures that I took  
Your favorite song, you sing along  
With the band but we're all crooks  
Now who are you?

Crawl out, you can  
You're so insecure sober  
Inhibition  
You're so insecure sober

Maybe you're Jekyll and Hyde, it's not news to me  
You're so insecure sober  
Maybe we should get high, it's not new to me  
You're so insecure sober

Yeah come on, yeah come on  
Yeah come on, yeah come on  
Yeah come on, yeah come on  
Yeah come on, yeah come on

Crawl out, you can  
You're so insecure sober  
Inhibition  
You're so insecure sober  
Maybe you're Jekyll and Hyde  
Maybe we should get high
