

Anti I Am

Semargl

I am the creature of reborn reality,
Rejected by the womb
of the moribund morality,
Needed by the time of your incipient sins,
I am the first, the only one,
The key for everything.

Anti I am... the Antichrist...

I am the source of spreading insanity,
In deluge I hold place
Just for the poison snakes.
Needed by the time of crashing principles.
I am the first, the only one,
The key for everything.

Anti I am... the Antichrist...
