

Tak, Kurwa

Semargl

Come closer, come to me,
Lay down with the enemy,
The snakes under your bed,
The beast ready to embed.
Come closer, come to me,
Get down, so easily,
Hey, satisfy my lust!

Tak, Kurwa, Tak
Tak, Kurwa, Tak
I eat your flesh,
I drink your wine,
You smell so fine.

Come closer, stand beside,
The walls are empty, you cannot hide,
The snakes caress your skin
The poison raises sin
Come closer, come to me,
Get down, so easily,
Hey, satisfy my lust!

Tak, Kurwa, Tak
Tak, Kurwa, Tak
I eat your flesh,
I drink your wine,
You smell so fine.
