

I've held this fire  
and I've walked through fire  
and it's burning outside  
ask for a feeling  
for a direction  
and it's burning inside  
I know of a temple holding a spirit  
holding a spirit  
I know of a story that ends with a question  
you're asking about me  
ask for a feeling for a direction  
AND IT'S BURNING INSIDE...  
I know of a temple holding a spirit  
holding a spirit  
I know of a story that ends with a question  
you're asking about me  
ask for a feeling for a direction  
ask for an energy  
ask for an energy to give me a feeling  
asking about me....
