

Stone Soup

Sent By Ravens

A pacing conversation
My body is tired
I focus on wrong things
Ces yeux incompetant
I won't believe their lies
They're too hungry with pride

My needful face gave me away
I wanna know what I've done wrong
My needful face gave me away
I wanna know what I've done wrong
I wanna know so I can change

A rose in an empty bottle
Now I have a wife
A rose of my own
See that I am my father's son
I may make mistakes but I learn
I learn through faith

My needful face gave me away
I wanna know what I've done wrong
My needful face gave me away
I wanna know what I've done wrong
I wanna know so I can change

Accomplishments don't mean a thing
They don't mean a thing
They don't
You never had to earn respect from me
You've had it all along

My needful face gave me away
I wanna know what I've done wrong
My needful face gave me away
I wanna know what I've done wrong
I wanna know so I can change

I could write this song in anger
But it's not who I am
It's not
