

# Make Me Stronger

Serani

Keep breeze to the ... he walks by my side  
Protect me from evil, evil

Dear lord I pray to you, over and over  
Bless me Jehovah, every day  
Give me the power to overcome struggle  
Make me stronger, stronger  
Everybody jump, jump

Because god is love, he rules and reign from above  
My heart is clean, my heart is pure  
I'm sure I'm worthy of everlong lasting life in heaven  
I never come in gun fight to the never operate with the devil  
I'm empowered to a higher level, by the all mighty

Dear lord I pray to you, over and over  
Bless me Jehovah, every day  
Give me the power to overcome struggle  
Make me stronger, stronger  
Everybody jump, jump

And step on negativity, step from immoral activity  
Jump from any devil captivity  
Embrace love and sensitivity  
Bless kings and city where I live  
Bless every ghetto, ever garrison I give  
Even when times hard I will, praise the all mighty

Dear lord I pray to you, over and over  
Bless me Jehovah, every day  
Give me the power to overcome struggle  
Make me stronger, stronger, whoa

I love you so lord, even when it's hard  
Praise the lord... praising, praising  
These times are so hard,  
Make me stronger, stronger, whoa

Dear lord I pray to you, over and over  
Bless me Jehovah, every day  
Give me the power to overcome struggle  
Make me stronger, stronger [x2]
