

Facing The Plastic

Serart

Try when you're wrong
Talk about pacing
Talk about teasing
Cry when you're in Rome
Talk about pacing
Prefacing the plastic
Try when you're wrong
Talk about pacing
Talk about teasing
Cry when you're in Rome
Your prefacing the plastic
Where ever you're at
your rapped up in plastic
Wherever you're at
Can cacturs stretch you out
Where ever you're at
Cactus stretch you out
Where ever you're at
Facing the plastic
When you're wrong
Try when you're wrong
Talk about pacing
Talk about passing
Try when you're wrong
Cry when you're wrong
Talk about pacing
Talk about passing, try
Burning through the thoughts of time
Holding thoughts of dire desire.
Try when you're wrong
Talk about pacing
Talk about teasing
Cry when you're in Rome
Talk about pacing
Prefacing the plastic
Try when you're wrong

Burning through the cup of time
Holding thoughts of dire desire
