YANARIM (I burn)

Ne olur as kapaya
(Please open the door)
Yine tat ybrepim acaya
(Let my heart taste the pain again)
Yenildik mi biz maziye
(Were we defeated by the past?)
As kapaya
(Open the door)

Darəldək kendimize
(We aren't friends with ourselves anymore)
Ucu yanməro resmimize
(Nor with our half burnt photos)
Kaybolan bmidimize
(Or our lost hope)
Genslipimize
(Or our lost youth)

Yanarəm yanarəm, gun geser yanarəm
(I burn, I burn, the days pass by, I burn)
Ah gecelerin hesabənə kimlere sorarəm
(Ah, who is going to bring back the nights?)
Yanarəm yanarəm ne yapsam yanarəm
(I burn, I burn, whatever I do, I burn)
Ah gecelerin hesabənə kimlere sorarəm
(Ah, who can pay the nights back to me?)

Ne olur as kapəyə Yine tat ybrepim acəyə Yenildik mi biz maziye As kapəyə

Gecelere sor beni
(Ask me to the nights)
Gun dedipin nerden bilir ki halimi?
(How could a day know how I am?)
Yalnezlepa sor beni
(Ask me to the loneliness)
Yalan axoklar anlatamaz ki halimi
(The deceitful loves cannot tell how I am)
