

No Disrespect

Set It Off

So there you go again
You want to play pretend?
Well I can't
You try to reminisce
Go running back to him like you planned
You're steppin on the gas
To run right over him
Where he stands
Can't be a part of this
Girl why you trifilin' on your man?

I'm sorry but I would not invite a thief
To watch my house or hold my things
I'm sayin' if you were walking in these shoes
You would trip over the truth

I wish I could forget get, get get
Forget we ever met, met, met, met
You know we hit a dead end, dead end
So turn around, reroute, reset
No disrespect
No disrespect
No disrespect
So turn around, reroute, reset
No disrespect

So here I go again
Back in the lion's den
Here's your chance
To right the wrongs you made
You took another swing and a miss
Next time you're both in bed
And he's inside his head
Answer this
What will you say to him
To build the confidence
That you killed?

I'm sorry but I would not invite a thief
To watch my house or hold my things
I'm sayin' if you were walking in these shoes
You would trip over the truth

I wish I could forget get, get get
Forget we ever met, met, met, met
You know we hit a dead end, dead end
So turn around, reroute, reset
No disrespect
No disrespect
No disrespect
So turn around, reroute, reset
No disrespect

Cause I don't see you, the way you want to
Forget your rescue
You're dreamin, dreamin, dreamin
We had our good times

But time has passed by
Begin your new life
I'm reachin', pleadin', screamin'

I wish I could forget get, get get
Forget we ever met, met, met, met
You know we hit a dead end, dead end
So turn around, reroute, reset
I wish I could forget get, get get
Forget we ever met, met, met, met
You know we hit a dead end, dead end
So turn around, reroute, reset
No disrespect
No disrespect
No disrespect
So turn around, reroute, reset
No disrespect
