Over Your Shoulder

Seven Mary Three

There's a mark on my back from my last heart attack A whiskeymouthbottleneckcardstack

There's a source, of course, she says: It's whispering at night like air leaks from a tire the truth outruns your lies (life)

If you jump track, thinkin' it's over Remember Sooner or later it's over your shoulder

I've got a bigmechanicmouth it resonates with sound A forkedmetallictongue it's green with what it's found

Spin my head around for a different view You can't look straight ahead to see what's in front of you

If you jump track, thinkin' it's over Remember Sooner or later it's over your shoulder
