

Wreckage - My mind
Insecure - All the time
once loved - now paralyzed
I once thought - I'll never die

Frustrated - our simple life
No one listens - everyone lies
Who said "Home is where you hide"?

Strong as shit and now you see

I'm home - leave it to me
(leave it to me now that you've seen)
I'm home - leave it to me
(leave it to me)

From left to right...
(2x)

I tried - my father said,
I'm scared - she always said
They grab and pull until I tear

Meaning - Too deep to swim
When's a good time for the end?
Who said I was your friend?

I'm home - leave it to me
(leave it to me now that you've seen)
I'm home - leave it to me
(leave it to me)

From left to right...
(2x)

Suffocated - our simple life
No one listens - everyone dies
Never a chance - how could you see?

I'm home - leave it to me (leave it to me)
I'm home - leave it to me (leave it to me now that you've seen)
I'm home - leave it to me (leave it to me)
I'm home - leave it to me (what the fuck did you say?)

From left to right...
(2x)
