

# The Seventh Wonder

## Seventh Wonder

The Herald:

Open your eyes now  
Don't be afraid  
You are the child of dreams  
The chosen one

I've been sent here to tell You  
Of the prophecies from long ago  
You will have to make a choice  
Before it's too late

You must reach for the power within You  
You must look deep in in your soul for the truth

No! You mustn't be deceived by deceivers  
No! The wonder child must choose on his own

Spawned from the ages  
To redeem our guilt  
The greatest of wonders  
The seventh is built

Sinners and saints of all the world  
Corrupt my mind with lies  
How can someone like me  
Decide with whom to ride

Don't let the tempters tip the scale  
We are aware of the struggle within

The Herald:

No! You mustn't be deceived by deceivers  
No! The wonder child must choose on his own

The Child:

Yes! I feel the fire within, the power within me  
Yes! The light of love will lead the way for me

The Rejoicing World:

The struggle within him is over now  
Yeah! The seventh wonder is whole
