

## Into the Abyss

### Sex Gang Children

A vortex of pure thought in space,  
the final goal in the evolution race  
Come a long way from neanderthal man,  
I am here to teach you all I can.  
Machine will take me further until a man is no longer a  
man.  
Me, I abuse my sexuality as often as I can.  
Every night you sleep with Christ,  
he was a victim of priest and power.  
I am the man with the gun  
I am the man with the gun  
I am the man with the gun  
I am the man with the gun  
Day after day I will lead the way  
Hello sailor how are you?  
Into the abyss  
Into the abyss  
Into the abyss  
Into the abyss  
I am the man with the gun  
I am the man with the gun  
I am the man with the gun  
I am the man with the gun
