D Cis H A

D H

What you see, you can get

D H

Nothing's free, nothing's said

D D

Don't be fooled by the signs

D H

Don't read in between the lines

G A

What you're gonna say

3 29

What you're gonna do

A G Fi

Now you've missed out once again

G *I*

But I thought you knew

D Cis H

Oh you silly thing

H A I

You've really gone and done it now Oh you silly thing

You really gone and done it now

Trouble here, trouble there

People stop just to stare

What's the use of wasting time

Just move on, leave 'em all behind

What you're gonna say

What you're gonna do

Now you've missed out once again

But I thought you knew

Oh you silly thing

You've really gone and done it now

Oh you silly thing

You've really gone and done it now

H A

Can't you ever depend

Fis

On someone you call a friend

When you see the naked eyes

Α

You don't even ask 'em why

Α

You don't even ask 'em why

Oh you silly thing

You've really gone and done it now

Oh you silly thing

You've really gone and done it now
