Pump your fist 'cause you know it's hard to resist
As long you know you're rollin' with the love

Feel the pow, let me put the groove in your hips
The night is young, so let's go roll with the fun
You got some gum, take it out, gimme some
'Cause I'm about to play an old girl like a drum
She shackatack, poor soul settle down

Girl, what you gon' do with all that body
(Shake it up all night)
Careful with that thing before you hurt somebody
(Tell me what you like)
Do it, baby

Shake your body down to the ground
Let's dance, let's shout (Shout)
