

# Mission

Shaggy

Welcome to the mission  
My music has got to get what it rightfully deserve  
Shaggy

My music got me on a mission  
I'm following my intuition  
Why don't you check the composition  
With this ya music when it hit you  
Say you feel no pain  
My music got me on a mission  
I'm following my intuition  
Why don't you check the composition  
With this ya music when it hits you

My music is my mission  
I'm here to take it around the world  
To get the global recognition that we fully deserve  
To every man, every woman, little boys, little girls  
Embrace the sweet reggae culture  
There's a lot more to learn  
You could a be from the east  
Could a be from the west  
Could a be from the north  
So could a be from the south  
No matter where down in a the world  
Shaggy will be at your doorstep  
Pan you cassette down in a you deck  
No bother think about eject  
Better yet  
How about you get it live and direct  
Say mic check (mic check)  
No sabotage mi sound check  
You better let a lyrical genius  
Come try intercept  
Shaggy a say one more time

Vibes it a lick the reggae music them want  
Everywhere down in a the world  
The people jump and prance  
Some of them no speak the language  
But the lyrics them chant  
Excess amount of music weh the DJ perform  
Say what  
Straight up in a de place a where the people congregate  
Say what  
Pon the dance floor a where them love fi feel the bass  
Say what

No matter the nationality, the color, the face, the race  
We all we want to see in a de place  
Is nothing but a smiling face  
Yeah  
Shaggy I'm here to grace your stage (hugh)  
I'm here to suit your musical taste  
Yeah  
I got to tell you once again  
A lick it one more time  
Shaggy sing again

My music got me on a mission

All around the world you hear the music a lick  
Say what  
In a de Middle East you hear the music a lick  
Say what  
Southeast Asia where the music a lick  
Say what  
West Africa a wey the music a lick  
Cause
