

# Woman a Pressure Me

Shaggy

The gal say it's about time she get the ring pan her finger  
Talk bout that sake a that she leave I man a linger  
I man naw go a the altar, hey

Beverly you deh yah gal you looking good  
Whant me take out to the altar if only I could, gal  
Me had a bother me don't know if I should  
A man don't want a marriage if him know it is not good  
You hear

Woman a pressure me left I man a linger  
Say me naw get her till the ring deh pan her finger  
Gal just a pressure me left Shaggy a linger  
She say me naw get her till the ring deh pan her finger

Love me Beverly well now she sweet and she tender  
Deh with her from 19...hm...can't remember  
Everyday she see me just a pressure fi me fender  
Talk 'bout how she want the ring pan her finger  
Me promise her the ring she set the wedding fi December  
Invite her friend and all her the family member  
Me really couldn't see me self a step up to no altar... yes

Gal just a pressure me left I man a linger  
She say me naw get her till the ring deh pan her finger

I want to settle the score before me go pan tour  
But she wouldn't even let me trough the damn front door  
Me say nights after nights I man a sleep pan floor  
Well now I try to hit the kitten and she said "no more"  
True me love me sweetie pie I can't take it no more  
Anyhow she get the ring you know me life gone now fi sure...yes

Before you tie the knot well everything looks sweet  
Now she wash, she cook, she clean and keep your house sparkling clean  
Keep her body in a shape young fresh and green  
All when she a twenty five years when she a sixteen  
When you say "I do" you probably think it's a dream  
All at a sudden it's like the beauty turn in the beast  
If a me you want marry let me put you at ease  
I rather gone roam this place like them damn lego beast
