

# Would You Be

Shaggy

Ohhhhhh.....

Baby I hope you dun get offended in anyway ya know  
But your beauty is so  
Magnificent  
I'm just tempted to touch ya know  
Yo bebe jus a meks sha a gwaan now??

Would you be offended if I told ya  
I like the way you lick your lips  
Would u be offended if I showed ya  
How I like to work those hips  
Is it a rude for mi to wink  
An let you know I like what I see  
Would u be offended if I touch ya  
Imagine how it could be

Your like a jewel baby  
This ain't no pick up line  
Epitome of a lady  
Truly one of a kind  
Wear a precious diamond  
Wid all dem polish shine?  
Can't wait to hold u closer  
Can u read my mind  
later images for which I won't apologize  
I hope that u can see the passion in my eyes  
Won't over step our boundries  
These words are hard to find  
Stated my intentions  
Hope you my way inclined

Tell me if im wrong  
expressing how I feel  
how can I go on  
if I don't know the deal

Would you be offended if I told ya  
I like the way you lick your lips  
Would u be offended if I showed ya  
How I like to work those hips  
Is it a rude for mi to wink  
An let you know I like what I see  
Would u be offended if I touch ya  
imagine how it could be

No need to be embarrassed  
I know you feel the same  
You feel my record  
Can I say this ain't no players game  
You feel the spark between us  
come lets ignite the flame  
coz if you let it pass  
we'll only have ourselves to blame  
showing you a world of pleasure  
that's my only aim  
I wanna take ya to the clouds  
an let you scream my name

this is your decision  
baby stake your claim  
take a chance  
coz if you don't den it would be a shame

Tell me am im wrong  
expressing how I feel  
can I go on  
if I don't know the deal  
heyyy.....

Would you be offended if I told ya  
I like the way you lick your lips  
Would u be offended if I showed ya
