

Heaven is in Your Arms

Shakespears Sister

I remember you back in '83
Singing in the rain
In sweet harmony
I get so lonely
As the pages turn in my history
You fade away like a mystery
I get so lonely
Heaven is in your arms dear
Heaven is in your arms dear
I will never let you go
I will never let you go
Heaven is in your arms dear
Heaven is where you are
I will never leave you
I will never let you go
If you never come back into my life
I'll cut these strings with a golden knife
I won't be lonely, I won't be lonely
I'll steal your body from the hall of fame
So the U.S.A. will know my name
I get so lonely, I get so lonely
Heaven is in your arms dear
Heaven is in your arms dear
I will never let you go
I will never let you go
Heaven is in your arms dear
Heaven is where you are
I will never leave you
I will never let you go
I read in this month's Passion magazine
Or was I just imagining things?
It seemed so real
I've got something that you left behind
A picture of you in my mind
Heaven is in your arms dear
Heaven is in your arms dear
I will never let you go
I will never let you go
Heaven is in your arms dear
Heaven is where you are
I will never leave you
I will never let you go
