

## Pulsatron

## Shakespears Sister

She's so electric  
She loves to party  
She's so connected  
She feels her body

Gonna get it on like a pulsatron  
Gonna get it on like a pulsatron  
Gonna get it on like a pulsatron  
Gonna get it on like a pulsatron

Go to the city  
To the sex boutique  
She's looking pretty  
And she needs relief

Gonna get it on like a pulsatron  
Gonna get it on like a pulsatron  
Gonna get it on like a pulsatron  
Gonna get it on like a pulsatron  
(You sinner turn me on)

She's so electric  
She loves to party  
She's so connected  
She feels her body

Gonna get it on like a pulsatron  
Gonna get it on like a pulsatron  
Gonna get it on like a pulsatron
