

Ah, Poor Little Baby

Shakin' Stevens

Well, you say nobody loves you
You say nobody cares
You say you got a broken heart
Nobody wants to share
Ah, poor little baby
Ah, poor little baby
Ah, poor little baby
Poor little baby doll

You say you're feelin' lonesome
You say you're feelin' blue
You say you had a baby
And he walked right out on you
Ah, poor little baby
Ah, poor little baby
Ah, poor little baby
Poor little baby doll

I know just how you feel
You want that thrill again
You hope that phone will ring
But it never will again
You hope with all your heart
Your love comes back to you
But baby I've been through the mill
And I've got news for you

Too bad you left me cryin'
But now you're cryin' too
Baby you'll live through it
That's what I had to do
Ah, poor little baby
Ah, poor little baby
Ah, poor little baby
Poor little baby doll
Hang on!

Well, you say nobody loves you
You say nobody cares
You say you got a broken heart
Nobody wants to share
Ah, poor little baby
Ah, poor little baby
Ah, poor little baby
Poor little baby doll
You're nothing but a poor little baby doll
