If I got down on my knees and I pleaded with you
If I crossed a million oceans just to be with you
Would you ever let me down?

If I climbed the highest mountain just to hold you tight
If I said that I would love you every single night

Well I'm sorry if it sounds kinda sad, it's just that
Worried, so worried
that you let me down

Because I love you, love you Love you, so don't let me down

Would you ever let me down?

If I swam the longest river just to call your name
If I said the way I feel for you would never change
Would you ever fool around

Well I'm sorry if it sounds kinda bad, just that Worried, cuz' I'm so worried that you let me down

Because I love you, love you Love you, so don't let me down

Well I'm sorry if it sounds kinda bad, just that Worried, cuz' I'm so worried that you let me down

Because I love you, love you Love you, so don't let me down
