

# Don't Be Two Faced

Shakin' Stevens

Don't say you love me.  
Unless you do.  
Don't make me waste .  
My tears on you.  
Ooh don't be two faced.

Don't look at me.  
The way you do.  
Your eyes are blue.  
But they're not true.  
Ooh don't be two faced.

Then you pretend.  
Your love is true.  
In the end.  
It will hurt only you.

A kiss from you  
Is just the way.  
It just leaves.  
A bitter taste.  
Ooh don't be two faced.

Then you pretend.  
Your love is true.  
In the end.  
It will hurt only you.

A kiss from you  
Is just the way.  
It just leaves.  
A bitter taste.  
Ooh don't be two faced.  
Ooh don't be two faced.  
Ooh don't be two faced.
