

## I Guess I Was A Fool

Shakin' Stevens

I thought that I could forget  
And try to tell myself we never met  
Though you try, you can't deny  
The feeling of your heart  
Though you try, you can't deny  
A true love when it starts  
I guess that I was just a fool

I guess I'll go on loving you  
Even though I know our love will never do  
Though you try, you can't deny  
The feeling of your heart  
Though you try, you can't deny  
A true love when it starts  
I guess that I was just a fool.
