

# Jezebel

Shakin' Stevens

Jezebel!!!  
Well if ever a devil was born.  
Without a pair of horns.  
It was you.  
Jezebel it was you.

And if ever the devil's plan.  
Was made to torment man.  
It was you.  
Jezebel, it was you.

Well, if ever a pair of eyes.  
Promised paradise.  
Deceiving me, grieving me.  
Leaving me blue.  
Jezebel, it was you.

Well if ever the devil's plan.  
Was made to torment man.  
It was you, Jezebel it was you.

It would be better had I never known.  
A lover such as you.  
Forsaking dreams in the dark.  
For the silent call of your arms.  
Jezebel.

Well if ever a pair of eyes,  
Promised paradise.  
Deceiving me grieving me.  
Leaving me blue.  
Jezebel, it was you.

Well if ever the devil's plan.  
Was made to torment man.  
It was you.  
Night and day in every way.  
Oh Jezebel, Jezebel.  
Jezebel!!!
