

Rockin' Little Christmas

Shakin' Stevens

Christmas, Christmas
Yeah, yeah, rockin' little Christmastime

Christmas is a-comin'
My feet are in the blocks
Got my motor runnin' baby

Gonna have a rockin' little Christmastime
A rockin' little Christmastime
I'm gonna give my baby such a rockin' this Christmastime

When I see my baby
I'll love her 'round the clock
She won't know what hit her

Gonna give her such a rockin' little Christmastime
A rockin' little Christmastime
I'm gonna give my baby such a rockin' this Christmastime
Yeah

Christmas, Christmas
Yeah, yeah, rockin' little Christmastime

Well, I got the key
My baby got the lock
Let me in the paradise

So we can have a rockin' little Christmastime
A rockin' little Christmastime
I'm gonna give my baby such a rockin' this Christmastime

There's money in my pocket
My car's at a halt
All I need is lovin' from my baby

For a rockin' little Christmastime
A rockin' little Christmastime
I'm gonna give my baby such a rockin' this Christmastime
Yeah

Christmas, Christmas
Yeah, yeah, rockin' little Christmastime

Yeah, yeah, rockin' little Christmastime

When the party's over
We ain't gonna stop
Hug me now, then kiss me

'Til the next year's rockin' little Christmastime
A rockin' little Christmastime
I'm gonna give my baby such a rockin' this Christmastime

I'm gonna give my baby such a rockin' this Christmastime
Well, I'm gonna give my baby such a rockin' this Christmastime
Yeah
