

Shirley

Shakin' Stevens

Shirley Shirley.
I love you so.
I'm never gonna let you go.
Shirley.
Where are you going tonight?

Shirley Shirley.
Will you be my girl?
I'll take you all around the world.
Shirley.
Where are you going tonight?

Oh Shirley Shirley.
I'd buy you anything.
Would you like a diamond rings.
Shirley.
Where are you going tonight?

I called Shirley's mama on the phone.
She said Shirley's not at home.
She said my little girl won be back soon.
She's gone on a honeymoon.

Oh Shirley Shirley.
You've done me wrong.
That's why I sing this song.
Shirley.
Where are you going tonight?

I called Shirley's mama on the phone.
She said Shirley's not at home.
She said my little girl won be back soon.
She's gone on a honeymoon.

Oh Shirley Shirley.
You've done me wrong.
That's why I sing this song.
Shirley.
Where are you going tonight?

Oh Shirley Shirley.
I love you so I'm never gonna let you go.
Shirley.
Where are you going tonight?
Shirley.
Where are you going.
Shirley.
Where are you going tonight?
Shirley.
Where are you going tonight?
Shirley.
Where are you going tonight?
Shirley.
Where are you going tonight?
Shirley.
Where are you going tonight?
