

Thinkin' Of You

Shakin' Stevens

Well, I know you're blue and you want it too
I got good lovin' and you know it's true
C'mon baby, mmm, when I'm thinkin' of you

Well, don't be down when I'm around
When we'd really rather go round and round
C'mon baby, mmm, when I'm thinkin' of you

Well, I know you're sad, I know you're blue
You know pretty honey I'm thinkin' of you
Come on now, come on child, let me show you how

Well, I got good loving and you want the part
I know pretty honey, you want the lot
C'mon baby, mmm, when I'm thinkin' of you

Well, I know you're blue and you want it too
I got good lovin' and you know it's true
C'mon baby, mmm, when I'm thinkin' of you

Well, I know you're sad, I know you're blue
You know pretty honey, I'm thinkin' of you
Come on now, come on child, let me show you how

Well, don't be down when I'm around
When we'd really rather go round and round
C'mon baby, mmm, when I'm thinkin' of you

C'mon honey, mmm, when I'm thinkin' of you
Baby, mmm, when it's all for you
