

(Yeah) You're Evil

Shakin' Stevens

Yeah you're a heartless woman.
And a mademoiselle.
The way you talked fooled me.
And you're givin' me hell.

Because you're evil (Evil evil).
Honey (Baby) can't you see.
I know you're evil (Evil evil).
Don't mess around with me.

I know you're a devil.
And it's hurtin' inside.
Without your love.
You know I can't survive.

Because you're evil (Evil evil).
Honey can't you see.
I know you're evil (Evil evil).
Don't mess around with me.

Well there ain't no mountain I wouldn't climb.
To make you baby mine all mine.
I'd go around the world to show I'm true.
Just to have a little lovin' from you.

I knew you were trouble.
The first time we met.
Throw away your horns.
And I'll get you yet.

Because you're evil (Evil evil).
Honey can't you see.
I know you're evil (Evil evil).
Don't mess around with me.

Yeah you're a heartless woman.
And a mademoiselle.
The way you talked fooled me.
And you're givin' me hell.

Because you're evil (Evil evil).
Baby can't you see.
I know you're evil (Evil evil).
Don't mess around with me.

Well there ain't no mountain I wouldn't climb.
To make you, baby mine all mine.
I'd go around the world to show I'm true.
Just to have a little lovin' from you.

Oh but you're evil (Evil evil).
Honey can't you see.
I know you're evil (Evil evil).
Don't mess around with me.

Oh but you're evil (Evil evil).
Honey, can't you see.

I know you're evil (Evil evil).
Don't mess around with.
Don't mess around with me.
