For once in my life I've got something to say I wanna say it now for now is today A love has been given so why not enjoy So let's all grab and let's all enjoy

If the kids are united then we'll never be divided If the kids are united then we'll never be divided

Just take a look around you What do you see Kids with feelings like you and me Understand him, he'll understand you For you are him, and he is you

If the kids are united then we'll never be divided If the kids are united then we'll never be divided If the kids are united then we'll never be divided If the kids are united then we'll never be divided

I don't want to be rejected
I don't want to be denied
Then its not my misfortune
That I've opened up your eyes

Freedom is given

Speak how you feel

I have no freedom

How do you feel

They can lie to my face

But not to my heart

If we stand together

It will just be the start

If the kids are united then we'll never be divided If the kids are united then we'll never be divided
